Re : Unauthorized use of my name

Ms Blanco,

I discovered yesterday that you have been using my name in connection with the Lake and Tennis Villas Condominium Association business without my knowledge or express approval. I have never been a member of the Board of Lake and Tennis Villas, never attended a Board meeting, and never signed any Association checks.

I hereby demand that immediately upon receipt of this letter you cease and desist from using my name to disseminate false and misleading information and officially correct the record.

Sincerely

  
Manuel Rocamonde
