RE: Lake & Tennis Villas Condominium Association, Inc.
Response to letter dated June 6th, 2009 but received June 10th, 2009.

Dear Ms. Brierre:

Obviously you do not understand that the Association is not to mail you any documents as per your request. As previously explained on our different letters to you, the documents you selected during your inspection of records have been available for pick up by you upon signing a receipt.

The President of the Association, Manuel Rocamonde is the person in charge of signing checks on behalf of the Association. Also, a copy of the unit owner's roster can be obtained at any time upon paying a \$0.25 per copy per page.

Sincerely,

Maria Abadie
