2. This action is not based upon the public disclosure of allegations or transactions in a criminal, civil, or administrative hearing, in a congressional, administrative, or General Accounting Office report, hearing, audit, or investigation, or from the news media. Moreover, Relators have direct and independent knowledge of the information on which the allegations of fraud and false claims are herein based and they have voluntarily investigated, researched, developed the information and have provided the information to the Plaintiff. Thus, there have been no public disclosures of the allegations or transactions contained herein that bar jurisdiction under 31 U.S.C. § 3730(e).

3. This Court has personal jurisdiction over Defendants pursuant to 31 U.S.C. § 3732(a) because multiple Defendants can be found, reside and transact business in the State of Nevada and the acts engaged in by multiple Defendant, which are proscribed by 31 U.S.C. § 3729, occurred in the State of Nevada.

FACTUAL ALLEGATIONS

Fannie Mae and Freddie Mac

11. Fannie Mae is a government sponsored enterprise ("GSE") founded in 1938, the purpose of which is to expand the secondary mortgage market by purchasing mortgage loans from participating lenders and securitizing the mortgages in the form of mortgage-backed securities. This allows mortgage lenders to reinvest their assets into more lending.

12. Freddie Mac is also a GSE. Freddie Mac was created in 1970 to expand the secondary market for mortgages in the United States.

13. In 2008, Fannie Mae and Freddie Mac had purchased about 80% of all new home mortgages in the United States. Their combined investment portfolios held mortgage assets (loans and mortgage backed securities) valued at $1.5 trillion (as of June 30, 2008).

14. The Housing and Economic Recovery Act of 2008, enacted July 30, 2008, provided the authority for the United States government's takeover of Fannie Mae and Freddie Mac.

15. The act created a new GSE regulator, the Federal Housing Finance Agency ("FHFA"), with the authority to take control of either Fannie Mae and Freddie Mac to restore them to sound financial conditions.

16. FHFA is a federal agency.

17. Fannie Mae and Freddie Mac have been under FHFA conservatorship since September 6, 2008.

18. As conservator, FHFA succeeded to all rights, titles, powers and privileges of Fannie Mae and Freddie Mac and of any shareholder, officer or director of the Fannie Mae and Freddie Mac with respect to the Fannie Mae and Freddie Mac and their assets.

19. Both Fannie Mae and Freddie Mac buy home mortgages from the originating lenders and repackage them into mortgage pools known as mortgage-backed securities ("MBS(s)").

20. Fannie Mae and Freddie Mac will either sell the MBSs or hold them in their own investment portfolios.

21. The Fannie Mae and Freddie Mac MBSs that are sold to investors ("Certificate Holders") are sold via certificates with each certificate representing a pro rata undivided beneficial ownership interest in the MBS.

22. Fannie Mae and Freddie Mac holds the MBSs in a trust on behalf of the Certificate Holders (the "MBS Trusts").

23. As a Fannie Mae or Freddie Mac MBS investor, the Certificate Holder receives a pro rata share of the scheduled principal and interest from mortgagors on the loans backing the MBS.

24. Interest is paid to the Certificate Holder at a specific interest rate and the Certificate Holder also receives any unscheduled payments of principal.

25. Fannie Mae and Freddie Mac guarantee to the MBS Trusts that on each distribution date Fannie Mae and Freddie Mac will supplement amounts received by the MBS Trusts as required to permit payments on the certificates in an amount equal to:

- the aggregate amounts of scheduled and unscheduled principal payments of the mortgage loans, and
- an amount equal to one month's interest on the certificates.

26. In addition, Fannie Mae and Freddie Mac guarantee to the MBS Trusts that Fannie Mae and Freddie Mac will supplement amounts received by the MBS Trusts as required to make the full and final payment of the total unpaid principal balance of the certificates.

27. Thus, Fannie Mae and Freddie Mac fully guaranty the payment to the MBS Trusts of all principal amounts of the underlying mortgage loans comprising the MBS.

28. In addition to their guaranty responsibilities, under the MBS Trust agreements, Fannie Mae and Freddie Mac are required in some instances (and have the option in other instances) to purchase a mortgage loan or real estate acquired as a result of a default ("real estate owned property" or "REO property") from the MBS Trusts.

29. While Fannie Mae and Freddie Mac are the master servicers of the MBSs, Fannie Mae and Freddie Mac generally contract with mortgage lenders ("Direct Servicers") to perform loan servicing functions subject to Fannie Mae and Freddie Mac oversight.

30. Fannie Mae and Freddie Mac's master servicing functions include entering into contracts with Direct Servicers to service the mortgage loans, supervising and monitoring the Direct Servicers, and paying Servicing Advances (defined *infra*) if the Direct Servicer does not so pay.

31. Duties performed by the Direct Servicer include general loan servicing responsibilities, collection and remittance of payments on the mortgage loans, administration of mortgage escrow accounts, collection of insurance claims, paying Servicing Advances, and foreclosing on defaulted mortgages, if necessary.

32. Servicing Advances are amounts of money paid by a Direct Servicer or paid directly by Fannie Mae and Freddie Mac to maintain the mortgaged property.

33. Servicing Advances include payments of taxes, assessments by special assessment districts, mortgage insurance premiums, hazard (or property), flood, earthquake or other insurance premiums, property repairs, and most notably and pertinent to this action, condominium, planned unit

development or homeowners' association assessments, fees and costs.

34. In the case of a foreclosure or "short sale" of the mortgage property, the Direct Servicer is entitled to reimbursement of Servicing Advances made by it from proceeds received from the sale of the mortgaged property.

35. After U.S. house sales prices peaked in mid-2006 and began their steep decline, adjustable-rate mortgages began to reset at higher interest rates and mortgage delinquencies and foreclosures soared.

36. In recent years, Nevada has consistently led the nation in mortgage foreclosures.

37. Since 2008, Fannie Mae and Freddie Mac have taken title via foreclosure auctions to over 23,000 properties in Clark County, NV, alone.

38. The mortgage foreclosure crisis is not limited to governmental agencies. Since 2008, Direct Servicers such as Wells Fargo National Bank, U.S. Bank, Bank of America, or their subsidiaries or affiliates have taken title through foreclosure to over 20,000 properties in Clark County, NV, alone.

39. In the last 40 months in Clark County, NV, there have been approximately 110,000 foreclosure auctions (averaging over 135 every business day).

40. Depending on a particular troubled borrower's circumstances, as part of Fannie Mae's and Freddie Mac's loss mitigation efforts, Fannie Mae and Freddie Mac may accept a "short payoff" of the mortgage loan or foreclose on the mortgaged property.

41. With a short payoff, the full principal amount of the loan becomes due, but Fannie Mae and Freddie Mac accepts less than the outstanding unpaid principal balance of the mortgage loan from sale or refinancing proceeds received by the borrower.

42. When Fannie Mae or Freddie Mac accepts a short payoff by the borrower, Fannie Mae and Freddie Mac pay the full stated principal balance of the mortgage loan through to the Certificate Holders (even if the stated principal balance is more than the payoff proceeds received by Fannie Mae and Freddie Mac).

43. If Fannie Mae and Freddie Mac causes the foreclosure of a mortgaged property, the REO property typically is purchased by Fannie Mae and Freddie Mac from the related MBS Trust within 60 days after the date of that the foreclosure sale is completed.

44. In cases of foreclosure, Fannie Mae and Freddie Mac pays the full stated principal balance of the mortgage loan through to the Certificate Holders after Fannie Mae's and Freddie Mac's purchase of the REO property from the MBS Trust.

45. Thus, in cases of defaulted mortgage loans, short sales and foreclosures, the following options are exercised by Fannie Mae and Freddie Mac:

a. Fannie Mae and Freddie Mac will purchase a defaulted loan from an MBS Trust for 100% of the principal amount of the loan and then proceed to either a short sale or to foreclose on the secured property;

b. In the case of a short sale of a loan owned by an MBS Trust, pay to the MBS Trust the proceeds from the short sale plus any deficiency such that the MBS Trust receives 100% of the principal amount of the loan; or

c. In the case of a foreclosure of an MBS Trust property, purchase the REO property from the MBS Trust and pay to the MBS Trust 100% of the principal amount of the loan.

46. In each of the above instances, and in the case where Fannie Mae and Freddie Mac own an MBS mortgage pool in their own portfolio, it is Fannie Mae and Freddie Mac that are ultimately responsible for paying all Servicing Advances on all distressed properties such that the MBS Trusts are guarantied to receive 100% of the principal amount of all loans within the MBS Trust.

47. Thus, in all cases where Fannie Mae or Freddie Mac is a guarantor of a loan in an MBS Trust, an owner of a loan, or an owner of a property located within Defendant HOAS, as the master servicer and the guarantor of the MBS mortgage pools, Fannie Mae and Freddie Mac will either pay to the Defendant HOAS and Debt Collectors amounts demanded by each such HOA for each such property, or will reimburse an MBS Trust for any amounts paid by the MBS Trust to Defendant HOAS and Debt Collectors.

48. The FHA provides mortgage insurance on loans made by FHA-approved lenders throughout the United States and its territories. In 1965, the FHA became part of HUD, a government agency.

49. HUD, acting through the FHA, runs a homeownership program called the single-family mortgage insurance program (the "Insurance Program") which insures lenders against the risk of loss for loans on single-family homes.

50. Following the subprime mortgage crisis, FHA, along with Fannie Mae and Freddie Mac, became the source of much of the United States' mortgage financing.

51. Many of the foreclosures occurring in the State of Nevada are due to borrower delinquencies on FHA insured loans.

52. When loaning funds to home buyers for the purchase of homes located within Defendant HOAS, lending institutions and other holders of mortgages (including the Insured Lenders) enter into insurance agreements with the FHA, as the mortgage insurer, to insure against losses the Insured Lenders may take if the borrowers do not pay their mortgage obligations.

53. When borrowers default on their loans, the Insured Lenders often acquire the mortgaged property by foreclosure or by deed-in-lieu of foreclosure.

54. After default and foreclosure, the Insured Lenders then convey the property to HUD, file a claim for benefits to HUD through the FHA, and are reimbursed for their insured losses.

55. The Insured Lender's insured losses include, but are not limited to unpaid principal, interest and certain "advances" made by Insured Lenders like property taxes, hazard insurance, foreclosure costs, attorneys fees, property maintenance fees and, most notably, the Defendant HOAS' assessments, fees and costs.

56. Specifically, the insurance benefits paid by HUD to the Insured Lenders in connection with foreclosed properties include charges for the maintenance and repair of mortgaged properties. These charges are paid by the Insured Lenders to the Defendant HOAS for the purpose of discharging obligations arising out of the Defendant HOAS' CC&RS (the "HOA Cost Claim").

57. Thus, in making the HOA Cost Claim to HUD, the Insured Lenders may only make a claim for HOA assessments, fees and costs in an amount for which the Insured Lender is obligated pursuant to the recorded CC&RS of the Defendant HOAS.

58. Further, in no event may the Insured Lenders make an insurance claim for reimbursement for any penalties, interest and/or late fees charged by Defendant HOAS or Debt Collectors which the Insured Lenders incurred after the date of the foreclosure sale.

59. However, for each mortgaged property foreclosed upon by the Insured Lenders and transferred to HUD pursuant to the Insurance Program (each such property is listed on the attached spreadsheet, Ex. 1, "HUD REO Property Spreadsheet") the Insured Lenders made false insurance claims to HUD (through the HOA Cost Claim) for amounts which exceed that which is permitted pursuant to 24 CFR § 203.402 (j).

60. For each such false insurance claim made for each property identified on the HUD REO Property Spreadsheet, the false insurance claim was made on HUD Form 27011.

61. In submitting the false insurance claim through the HOA Cost Claim listed on HUD Form 27011 for the properties listed on the HUD REO Property Spreadsheet, and in receiving the insurance proceeds from HUD, the Insured Lenders violated the False Claims Act.

The Non-Incurred Collection Charge Claims

62. Upon their foreclosure of properties located within Defendant HOAS, Plaintiff (through Fannie Mae and Freddie Mac,) and the MBS Trusts become "unit owners" as defined by NRS §116.095 and are therefore protected by the provisions of NRS §116 and provisions of Defendants' CC&RS.

63. Further, upon the deeding of the HUD REO Properties to HUD by the Insured Lenders after foreclosure, HUD becomes a "unit owner" as defined by NRS §116.095 and is therefore protected by the provisions of NRS §116 and provisions of Defendants' CC&RS. Fannie Mae, Freddie Mac, and HUD are sometimes referred to herein as "Government Owners".

64. Pursuant to NRS §116 and provisions of Defendants' CC&RS, once they take title to property located within Defendant HOAS, the Government Owners become liable to the Defendant

HOAS for the payment of certain assessments, fees and costs relating to ownership of properties located within the Defendant HOAS.

65. Further, provisions of NRS 116.3102 and provisions of the CC&RS under which the Government Owners and the Defendant HOAS are bound permit Defendant HOAS to impose charges incurred by them against the Government Owners.

66. Upon information and belief, Defendant HOAS entered into agreements with Defendant third party collection agencies ("Debt Collectors") to provide collection services to Defendant HOAS (the "Collection Agreements") for the collection of past due assessment obligations of the Government Owners.

67. The Debt Collectors are the authorized agents for Defendant HOAS and perform debt collection services at the direction of Defendant HOAS.

68. However, pursuant to the Collection Agreements, Debt Collectors do not charge, bill, or collect from the Defendant HOAS any collection fees and costs, but instead bill to and collect from the Government Owners all such collection fees and costs.

69. Defendant HOAS never actually incur any collection fees and costs for the Debt Collectors' collection services because such fees and costs are not the obligation of Defendant HOAS under the Collection Agreements and past practices between the Defendant HOAS and the Debt Collectors.

70. As a matter of law and contract, Defendant HOAS may not charge to a unit owner, such as the Government Owners, collection fees and costs which have not been actually incurred by Defendant HOAS.

71. Despite this prohibition, Defendant HOAS have permitted the Debt Collectors, acting on their behalf, to add these non-incurred collection fees and costs onto the principal amount of the alleged debt claimed to be owed by the Government Owners to Defendant HOAS.

72. Contrary to Defendant HOAS' practices, relevant state law (Nevada Revised Statutes §116.3102(k)) permits only Defendant HOAS (not Debt Collectors) to impose charges for late payment of assessments against the Government Owners.

73. Further, Nevada Revised Statutes §116.310313(1) permits only Defendant HOAS (not Debt Collectors) to charge the Government Owners reasonable fees to cover the costs of collecting any past due obligation.

74. Nevada Revised Statutes §116.310313(3)(a) defines "costs of collecting" as any fee, charge or cost, by whatever name, including, without limitation, any collection fee, filing fee, recording fee, fee related to the preparation, recording or delivery of a lien or lien rescission, title search lien fee, bankruptcy search fee, referral fee, fee for postage or delivery and any other fee or cost that Defendant HOAS charge a unit owner for the enforcement or collection of a past due obligation.

75. There is no provision at law which permits Defendant HOAS to authorize third party Debt Collectors to unilaterally assess and charge to the Government Owners any and all fees and costs that the Debt Collectors wish to charge in the collection of past due obligations.

76. Irrespective of the fact that Defendant HOAS never actually incurred any collection fees or costs, Defendant HOAS and the Debt Collectors have sent, and continue to send to the Government Owners thousands of false collection demands, notices, claims and other communications wherein Defendant HOAS and the Debt Collectors falsely represent that Defendant HOAS have incurred (and that, therefore, the Government Owners owe to Defendant HOAS) collection fees, interest, filing fees, recording fees, fees related to the preparation, recording or delivery of a lien or lien rescissions, title search fees, bankruptcy search fees, referral fees, fees for postage or delivery, and other fees or costs for the investigation, enforcement or collection of past due assessments or other obligations (the "Non-Incurred Collection Charges").

77. In pursuit of the Non-Incurred Collection Charges, Defendant HOAS and the Debt Collectors have maintained thousands of alleged "liens" (called "Notice of Delinquent Assessment Lien" or "Lien for Delinquent Assessments" or other such titles, hereinafter "Fraudulent Liens") and Notices of Default and Notices of Trustee Sales ("False Notices") against the units of the Government Owners based in whole or in part upon these Non-Incurred Collection Charges.

78. The Fraudulent Liens and False Notices are, in fact, false claims made by Defendant HOAS and the Debt Collectors to the Government Owners.

79. All such false claims, such as the Fraudulent Liens and False Notices, made by Defendant HOAS and the Debt Collectors to the Government Owners which demand the Non-Incurred Collection Charges misrepresent the true fact that no such collection costs are permitted or have been incurred by the Defendant HOAS nor were chargeable to the Government Owners.

80. Attached hereto is a spreadsheet indicating the Fraudulent Lien and False Notice claims, the names of each Defendant HOA which made the false claim, the name of the Government Owner entity upon whom such false claim was made, the time and date the false claim was made and recorded, the County Recorder's book and instrument number evidencing the actual false claim, and the assessor's parcel number of the unit which was encumbered as a result of the false claim (Ex. 2 "False Claim Spreadsheet"). On each such Fraudulent Lien and False Notice, the name of the Debt Collector is evident.

81. For each such Fraudulent Lien, False Notice and false claim submitted to the Government Owners by the Defendant HOAS and the Debt Collectors, the Government Owners have paid to Defendant HOAS and the Debt Collectors the Non-Incurred Collection Charges.

82. More specifically, on each such occasion wherein Fannie Mae or Freddie Mac either foreclosed or authorized a short sale upon a home secured by a loan within their own portfolio (for a property listed on the False Claim Spreadsheet) or guaranteed a mortgage loan within an MBS Trust which was the subject of foreclosure or short sale (for property listed on False Claim Spreadsheet) the Plaintiff, through Fannie Mae and Freddie Mac, relying upon the Fraudulent Liens, False Notices and false claims and demands of the Defendant HOAS and Debt Collectors, paid out to the Defendant HOAS and Debt Collectors, or reimbursed to the MBS Trusts funds which included the Non-Incurred Collection Charges.

83. Thus, for each such Fraudulent Lien and False Notice as listed on the False Claim Spreadsheet, Plaintiff has been the victim of Defendant HOAS' and Debt Collectors' false claims in the following ways:

a. Fannie Mae and Freddie Mac have paid directly to Defendant HOAS or their agents, the Debt Collectors, the Non-Incurred Collection Charges as a result of

Defendant HOAS' false claims;

b. Fannie Mae and Freddie Mac, as master servicers of the mortgage loans in the MBS Trusts, have paid directly to Defendant HOAS or their agents, the Debt Collectors, the Non-Incurred Collection Charges as a result of Defendant HOAS' false claims;

c. Fannie Mac and Freddie Mac, as guarantor of the mortgage loans in the MBS Trusts, have reimbursed the MBS Trusts for all payments made by the MBS Trusts to Defendant HOAS or their agents, the Debt Collectors, for the Non-Incurred Collection Charges as a result of Defendant HOAS' false claims.

84. Moreover, on each such occasion wherein HUD owned a property listed on the False Claim Spreadsheet, the Plaintiff, relying upon the Fraudulent Liens, False Notices and false claims and demands of the Defendant HOAS and Debt Collectors, paid out to the Defendant HOAS and Debt Collectors funds which included the Non-Incurred Collection Charges.

85. Additionally, for each such property listed on the HUD REO Property Spreadsheet, HUD paid insurance proceeds to an Insured Lender based upon an HOA Cost Claim submitted to HUD by an Insured Lender which included the Non-Incurred Collection Charges.

86. The Insured Lenders submitted the false insurance claims to HUD on HUD Form 27011.

87. Because the Insured Lenders required and retained copies of the Defendant HOAS' CC&RS during the loan underwriting process and because the Insured Lenders are charged with knowledge of the law, the Insured Lenders knew or should have known that provisions of the CC&RS and the Nevada Revised Statutes do not permit the collection of the Non-Incurred Collection Charges.

88. Thus, Plaintiff has been the victim of Defendant HOAS' and the Debt Collectors' false claims and the false insurance claims of the Insured Lenders, and has paid money to Defendant HOAS and Debt Collectors and the Insured Lenders as a result of the false claims.

The Fraudulent Lien Cost Claims

89. Not only are Non-Incurred Collection Charges not a legal obligation of the Defendant HOAS and, therefore not chargeable to Plaintiff, but the circumstances under which the Non-Incurred Collection Charges accumulated is both a procedural and substantive sham.

90. Defendant HOAS and the Debt Collectors have recorded against the Government Owners fugitive documents commonly referred to as Notice of Delinquent Assessment Lien or Lien for Delinquent Assessments, or such similar titles (defined above as the "Fraudulent Liens") (see Ex. 2, False Claim Spreadsheet).

91. In each instance where the Defendant HOAS and Debt Collectors have recorded the Fraudulent Lien against the units of the Government Owners (in those Defendant HOAS in which the CC&RS do not authorize the public recordation of the Fraudulent Lien), Defendant HOAS and Debt Collectors have submitted a claim to the Government Owners of several hundred dollars for the preparation and recordation of the Fraudulent Lien ("Fraudulent Lien Cost").

92. This is a false claim.

93. There is no provision at law which recognizes the existence of such a document as a Notice of Delinquent Assessment Lien or Lien for Delinquent Assessments, nor is there any provision at law which permits the public recording or publishing of such a document, nor did the Government Owners ever authorize such recording.

94. Instead, pursuant to NRS 116.3116, Defendant HOAS have an automatic, statutory lien on every unit for any construction penalty that is imposed against the unit's owner pursuant to NRS 116.310305, any assessment levied against that unit or any fines imposed against the unit's owner from the time the construction penalty, assessment or fine becomes due (the "Statutory Lien").

95. Further, pursuant to NRS 116.3116(4), "Recording of the declaration constitutes record notice and perfection of the lien. No further recordation of any claim of lien for assessment under this section is required."

96. Thus, what Defendant HOAS and the Debt Collectors represented as a "lien" (i.e.,the Fraudulent Lien for which they impose the Fraudulent Lien Cost) was, in fact, not a lien, but merely

a notice pursuant to NRS 116.31162 which simply authorizes the mailing of a "notice" of delinquent assessment to the Government Owners.

97. However, in order to churn more fees and costs, Defendant HOAS and the Debt Collectors misrepresented the fact that the Fraudulent Lien was a legal lien, misrepresented the fact that the Nevada Revised Statutes authorized the recording of such a document, and misrepresented the fact the they were entitled to record such a document, all in order to coerce the Government Owners into paying the Fraudulent Lien Cost.

98. Moreover, even though there is no provision at law which authorizes the drafting and recording of the Fraudulent Liens, and even though the Government Owners never authorized the recording of such a document, Defendant HOAS and the Debt Collectors improperly made claim upon the Government Owners for money to "release" the Fraudulent Lien ("Fraudulent Lien Release Cost").

99. In addition, on each such occasion wherein Fannie Mae or Freddie Mac either foreclosed or authorized a short sale upon a home secured by a loan within their own portfolio (for a property listed on the False Claim Spreadsheet) or guaranteed a mortgage loan within an MBS Trust which was the subject of foreclosure or short sale (for property listed on False Claim Spreadsheet) the Plaintiff, through Fannie Mae and Freddie Mac, relying upon the false claims and demands of the Defendant HOAS and Debt Collectors for the Fraudulent Liens Cost and Fraudulent Lien Release Cost, paid out to the Defendant HOAS and Debt Collectors, or reimbursed to the MBS Trusts funds which included the Fraudulent Liens Cost and Fraudulent Lien Release Cost.

100. Thus, for each such Fraudulent Lien as listed on the False Claim Spreadsheet, Plaintiff has been the victim of Defendant HOAS' and the Debt Collectors' false claims in the following ways:

a. Fannie Mac and Freddie Mac have paid directly to Defendant HOAS or their agents, the Debt Collectors, the Fraudulent Liens Cost and Fraudulent Lien Release Cost as a result of Defendant HOAS' false claims;

b. Fannie Mae and Freddie Mac, as master servicers of the mortgage loans in the MBS Trusts, have paid directly to Defendant HOAS or their agents, the Debt Collectors, the Fraudulent Liens Cost and Fraudulent Lien Release Cost as a

result of Defendant HOAS' false claims;

c. Fannie Mae and Freddie Mac, as guarantor of the mortgage loans in the MBS Trusts, have reimbursed the MBS Trusts for all payments made by the MBS Trusts to Defendant HOAS or their agents, the Debt Collectors, for the Fraudulent Liens Cost and Fraudulent Lien Release Cost as a result of Defendant HOAS' false claims.

101. Moreover, on each such occasion wherein HUD owned a property listed on the False Claim Spreadsheet, the Plaintiff, relying upon the false claims and demands of the Defendant HOAS and Debt Collectors for the Fraudulent Liens Cost and Fraudulent Lien Release Cost, paid out to the Defendant HOAS and Debt Collectors funds which included the Fraudulent Liens Cost and Fraudulent Lien Release Cost.

102. Additionally, for each such property listed on the HUD REO Property Spreadsheet, HUD paid insurance proceeds to an Insured Lender based upon an HOA Cost Claim submitted to HUD by an Insured Lender which included the Fraudulent Liens Cost and Fraudulent Lien Release Cost.

103. The Insured Lenders submitted the false insurance claims to HUD on HUD Form 27011.

104. Because the Insured Lenders required and retained copies of the Defendant HOAS' CC&RS during the loan underwriting process and because the Insured Lenders are charged with knowledge of the law, the Insured Lenders knew or should have known that provisions of the CC&RS and the Nevada Revised Statutes do not permit the collection of the Fraudulent Liens Cost and Fraudulent Lien Release Cost.

105. Thus, Plaintiff has been the victim of Defendant HOAS' and Debt Collectors' false claims and the false insurance claims of the Insured Lenders, and has paid money to Defendant HOAS and Debt Collectors and the Insured Lenders as a result of the false claims.

The Excessive Super Priority Lien Claims

106. Further, Nevada Revised Statutes §116.3116 governs liens against property located within Defendant HOAS and generally states as follows:

a. Defendant HOAS have a statutory lien on any unit of real property located within their HOAS for any assessment imposed against a unit or fine imposed against the Government Owners from the time the assessment or fine became due;

b. However, Defendant HOAS' lien is junior to the first security interest of the unit's first mortgage lender except for a certain, limited and specified portion of the lien as defined in Nevada Revised Statutes §116.3116 which remains senior to the first security interest of the unit's first mortgage lender, provided that Defendant HOAS had instituted an "action" to enforce their liens (the "Super Priority Lien").

107. On and after October 1, 2009, the statutory formula for calculating the Super Priority Lien was as follows: the lien is prior to the first security interest on the unit to the extent of any charges incurred by the HOAS on a unit pursuant to NRS 116.310312 and to the extent of the assessments for common expenses based on the periodic budget adopted by the HOAS pursuant to NRS 116.3115 which would have become due in the absence of acceleration during the 9 months immediately preceding institution of an action to enforce the lien unless federal regulations adopted by Fannie Mae or Freddie Mac require a shorter period of priority for the lien (in which case the 9 month period is reduced to a 6 month period).

108. Before October 1, 2009, the 9 month time frame cited above, was limited to only 6 months in every instance.

109. Further, pursuant to the Federal Home Loan Mortgage Corporation Act (12 U.S.C.A. § 1455), Freddie Mac may by regulation or by writing establish prohibitions or restrictions upon the creation of the indebtedness or obligations of Freddie Mac, including liens or charges upon property of Freddie Mac.

110. Both Fannie Mae and Freddie Mac have adopted underwriting guidelines which limit Defendants' Super Priority Lien to an amount not exceeding 6 months of assessments.

111. After the date upon which the Government Owners became the legal owners of the units (i.e., the date of the trustee's sale of first mortgage lender) on each of thousands of instances over the last several years (as more particularly evidenced of the False Claim Spreadsheet), Defendant HOAS and the Debt Collectors have improperly claimed, demanded and obtained monies from the Government Owners in the following manner:

a. Homeowners, owning a unit of real property within the Defendants become delinquent ("Delinquent Homeowners") in the payment of their association assessments and other fees and charges ("Homeowners' Past Due Obligations") and also default on their first mortgages;

b. The Homeowners' Past Due Obligations constitute a Statutory Lien on the Delinquent Homeowners' unit pursuant to NRS §116.3116;

c. Due to the Delinquent Homeowners' inability to pay their first mortgages, the Delinquent Homeowners' first mortgage lenders or purchasers of the lenders' loan (i.e., Fannie Mae, Freddie Mac or the MBS Trusts) foreclose on the Delinquent Homeowners' unit;

d. At the foreclosure auction, Fannie Mae, Freddie Mac, the MBS Trusts or the Insured Lenders take title to the subject units via a trustee's sale deed;

e. At the moment the foreclosure auction concludes on a subject unit, pursuant to NRS §116.3116, the Defendant HOAS' Statutory Lien against the unit for the Homeowners' Past Due Obligations becomes extinguished, but for the Super Priority Lien, if any;

f. Instead of informing the Government Owners (who either obtain title at the foreclosure auctions, or are deeded properties that the Insured Lenders obtain at the foreclosure auctions) that Defendant HOAS' Statutory Lien has been extinguished due to the foreclosure auction, and that only the Super Priority

Lien was due (if any), Defendant HOAS and the Debt Collectors issue false and inaccurate demands and claims to the Government Owners for hundreds or thousands of dollars in excess of any amount permitted under NRS 116.3116 and the CC&RS, often including all those amounts owed by the original Delinquent Homeowner (the "Excessive Super Priority Lien Amounts");

g. Defendant HOAS and the Debt Collectors make false claims to the Government Owners (more particularly evidenced in the False Claim Spreadsheet) which include that the Defendant HOAS and Debt Collectors have the legal right to collect and receive from the Government Owners the Excessive Super Priority Lien Amounts when, as a matter of law, they do not;

h. Such demands, claims and representations are inaccurate because the Government Owners do not owe the Excessive Super Priority Lien Amounts. The Statutory Liens which comprised the Homeowners' Past Due Obligations were extinguished as against the Government Owners and the units as a matter of law (NRS §116.3116) as a result of the Government Owners' and Insured Lenders' foreclosure auctions, leaving only the limited Super Priority Liens, if any;

i. Defendant HOAS and the Debt Collectors fail and refuse to correct their false representations, demands and claims and encumber the Government Owners' units with the Fraudulent Liens;

j. Under unlawful threat of the continuing clouds on their title and issuance of false claims and demands by Defendant HOAS and the Debt Collectors, the Government Owners are forced to pay the Excessive Super Priority Lien Amounts.

112. By repeatedly employing this very scheme thousands of times over the last several years, Defendant HOAS and the Debt Collectors have made false claims to the Government Owners for monies that were not owed and to which Defendant HOAS and the Debt Collectors had no legal

entitlement.

113. Further, pursuant to NRS §116.3116, before any amounts comprising the Super Priority Lien may become due, Defendant HOAS are required to file a civil action to enforce collection of their Statutory Lien. However, in many or all instances above described, the Super Priority Lien did not exist because Defendant HOAS failed to file a civil action to enforce their lien.

114. Nonetheless, on thousands of separate occasions (as evidenced by the False Claim Spreadsheet), Defendant HOAS and Debt Collectors improperly claimed, demanded and received from the Government Owners monies falsely claimed as a Super Priority Lien Amount to which neither Defendant HOAS nor the Debt Collectors were entitled.

115. In addition, on each such occasion wherein Fannie Mae or Freddie Mac either foreclosed or authorized a short sale upon a home secured by a loan within their own portfolio (for a property listed on the False Claim Spreadsheet) or guaranteed a mortgage loan within an MBS Trust which was the subject of foreclosure or short sale (for property listed on False Claim Spreadsheet) the Plaintiff, through Fannie Mae and Freddie Mac, relying upon the false claims and demands of the Defendant HOAS for the Excessive Super Priority Lien Amounts, paid out to the Defendant HOAS or reimbursed to the MBS Trusts funds which included the Excessive Super Priority Lien Amounts.

116. Thus, for each such Fraudulent Lien and False Notice as listed on the False Claim Spreadsheet, Plaintiff has been the victim of Defendant HOAS' and Debt Collectors' false claims in the following ways:

a. Fannie Mae and Freddie Mac have paid directly to Defendant HOAS or their agents, the Debt Collectors, the Excessive Super Priority Lien Amounts as a result of Defendant HOAS' false claims;

b. Fannie Mae and Freddie Mac, as master servicers of the mortgage loans in the MBS Trusts, have paid directly to Defendant HOAS or their agents, the Debt Collectors, the Excessive Super Priority Lien Amounts as a result of Defendant HOAS' false claims;

c. Fannie Mae and Freddie Mac, as guarantor of the mortgage loans in the MBS

Trusts, have reimbursed the MBS Trusts for all payments made by the MBS Trusts to Defendant HOAS or their agents, the Debt Collectors, for the Excessive Super Priority Lien Amounts as a result of Defendant HOAS' false claims.

117. Moreover, on each such occasion wherein HUD owned a property listed on the False Claim Spreadsheet, the Plaintiff, relying upon the false claims and demands of the Defendant HOAS and the Debt Collectors for the Excessive Super Priority Lien Amounts paid out to the Defendant HOAS and Debt Collectors funds which included the Excessive Super Priority Lien Amounts.

118. Additionally, for each such property listed on the HUD REO Property Spreadsheet, HUD paid insurance proceeds to an Insured Lender based upon an HOA Cost Claim submitted to HUD by an Insured Lender which included the Excessive Super Priority Lien Amounts.

119. The Insured Lenders submitted the false insurance claims to HUD on HUD Form 27011.

120. Because the Insured Lenders required and retained copies of the Defendant HOAS' CC&RS during the loan underwriting process and because the Insured Lenders are charged with knowledge of the law, the Insured Lenders knew or should have known that provisions of the CC&RS and the Nevada Revised Statutes do not permit the collection of the Excessive Super Priority Lien Amounts.

121. Thus, Plaintiff has been the victim of Defendant HOAS' and the Debt Collectors' false claims and the false insurance claims of the Insured Lenders, and has paid money to Defendant HOAS and the Insured Lenders as a result of the false claims.

The Excessive CC&R Amount Claims

122. Defendant HOAS' CC&RS contain provisions ("Mortgagee Protection Provisions") whereby the Defendant HOAS' assessment liens are subordinate to the Government Owners' and the Insured Lenders' first mortgage loan and are extinguished by the foreclosure of a first mortgage loan but for a limited number of monthly assessments, if any.

123. However, Defendant HOAS and the Debt Collectors claim, demand and collect monies from the Government Owners that, pursuant to the Mortgagee Protection Provisions, have been extinguished by the trustee's sale of the Government Owners and the Insured Lenders ("Excessive CC&R Amounts").

124. These are false claims.

125. As more specifically detailed in the False Claim Spreadsheet, after transfer to the Government Owners or the Insured Lenders of the residential units at foreclosure, Defendant HOAS and the Debt Collectors have, on each of thousands of instances over the last several years, improperly demanded and obtained monies from the Government Owners by demanding and collecting the Excessive CC&R Amounts.

126. Instead of informing the Government Owners that only a limited number of monthly assessments were due, if any, pursuant to the Mortgage Protection Provisions of the CC&RS, Defendant HOAS and the Debt Collectors issued false claims and demands to the Government Owners for hundreds or thousands of dollars in excess of any amount permitted under the CC&RS.

127. As more particularly evidenced on the False Claim Spreadsheet, Defendant HOAS and the Debt Collectors misrepresented to the Government Owners that Defendants have the legal right to demand, collect and receive from the Government Owners the Excessive CC&R Amounts when, pursuant to the Mortgagee Protection Provisions of the CC&RS, they did not.

128. The Excessive CC&R Amounts were extinguished as against the Government Owners and the Insured Lenders pursuant to the Mortgagee Protection Provisions of the CC&RS at foreclosure and were not due and owing from Government Owners.

129. Under unlawful threats of the continuing clouds on their title and issuance of false claims and demands such as the Fraudulent Liens and False Notices, the Government Owners have been forced to pay the Excessive CC&R Amounts to the Defendant HOAS and the Debt Collectors.

130. By repeatedly employing this very scheme thousands of times over the last several years, Defendant HOAS and the Debt Collectors have obtained monies comprising the Excessive CC&R Amounts which the Government Owners did not owe, and to which Defendant HOAS and the

Debt Collectors were not legally entitled.

131. Thus, Defendant HOAS' and the Debt Collectors' false demand, claim and collection of Excessive CC&R Amounts violated the False Claims Act.

132. In addition, on each such occasion wherein Fannie Mae or Freddie Mac either foreclosed or authorized a short sale upon a home secured by a loan within their own portfolio (for a property listed on the False Claim Spreadsheet) or guaranteed a mortgage loan within an MBS Trust which was the subject of foreclosure or short sale (for property listed on False Claim Spreadsheet) the Plaintiff, through Fannie Mae and Freddie Mac, relying upon the false claims and demands of the Defendant HOAS and the Debt Collectors for the Excessive CC&R Amounts, paid out to the Defendant HOAS and the Debt Collectors, or reimbursed to the MBS Trusts funds which included the Excessive CC&R Amounts.

133. Thus, for each such Fraudulent Lien and False Notice as listed on the False Claim Spreadsheet, Plaintiff has been the victim of Defendant HOAS' and the Debt Collectors' false claims in the following ways:

a. Fannie Mae and Freddie Mac have paid directly to Defendant HOAS or their agents, the Debt Collectors, the Excessive CC&R Amounts as a result of Defendant HOAS' false claims;

b. Fannie Mae and Freddie Mac, as master servicers of the mortgage loans in the MBS Trusts, have paid directly to Defendant HOAS or their agents, the Debt Collectors, the Excessive CC&R Amounts as a result of Defendant HOAS' false claims;

and the Debt Collectors for the Excessive CC&R Amounts paid out to the Defendant HOAS and the Debt Collectors funds which included the Excessive CC&R Amounts.

135. Additionally, for each such property listed on the HUD REO Property Spreadsheet, HUD paid insurance proceeds to an Insured Lender based upon an HOA Cost Claim submitted to HUD by an Insured Lender which included the Excessive CC&R Amounts.

136. The Insured Lenders submitted the false insurance claims to HUD on HUD Form 27011.

137. Because the Insured Lenders required and retained copies of the Defendant HOAS' CC&RS during the loan underwriting process and because the Insured Lenders are charged with knowledge of the law, the Insured Lenders knew or should have known that provisions of the CC&RS and the Nevada Revised Statutes do not permit the collection of the Excessive CC&R Amounts.

COUNT I: VIOLATIONS OF 31 U.S.C. § 3729

(False Claims of Defendant HOAS and the Debt Collectors)

139. Relators incorporate each and every paragraph of this complaint as though fully set forth herein.

140. Relators seek a recovery on behalf of the United States, for all false claims submitted to Fannie Mae and Freddie Mac (as principals and as master servicer and guarantor of the mortgage loans of the MBS Trusts,) and submitted to HUD for the Non-Incurred Collection Charges, Fraudulent Lien Costs, Fraudulent Lien Release Costs, Excessive Super Priority Lien Amounts, and Excessive CC&R Amounts.

141. In each instance as listed on the attached False Claim Spreadsheet, Plaintiff paid out to Defendant HOAS and the Debt Collectors, or reimbursed the MBS Trusts monies based upon Defendant HOAS' and the Debt Collectors' false claims.

142. For each claim submitted to Fannie Mae and Freddie Mac (as principals and as guarantor and master servicer of the mortgage loans of the MBS Trusts,) and submitted to HUD based upon Non-Incurred Collection Charges, Fraudulent Lien Costs, Fraudulent Lien Release Costs, Excessive Super Priority Lien Amounts, and Excessive CC&R Amounts, Defendant HOAS and Debt Collectors knowingly caused a false claim to be presented to Plaintiff within the meaning of 31 U.S.C. § 3729(a)(l).

143. For each such false claim to Plaintiff for the Non-Incurred Collection Charges, Fraudulent Lien Costs, Fraudulent Lien Release Costs, Excessive Super Priority Lien Amounts, and Excessive CC&R Amounts, Defendant HOAS and Debt Collectors knew, wilfully blinded themselves, and/or recklessly failed to discover that the Non-Incurred Collection Charges, Fraudulent Lien Costs, Fraudulent Lien Release Costs, Excessive Super Priority Lien Amounts, and Excessive CC&R Amounts were false and ineligible for payment by Plaintiff.

144. Defendant HOAS and Debt Collectors therefore knew that the claim and statement was false or fraudulent within the meaning of 31 U.S.C. §3729(b), and caused the submission of that false claim within the meaning of § (a)(l) and the making of a false certification within the meaning of § (a)(2).

145. Further, Defendant HOAS, being the principal of their agents, the Debt Collectors, acted in concert with the Debt Collectors, and intended to accomplish the unlawful objective as described supra for the purpose of harming the Plaintiff. Therefore, Defendant HOAS and Debt Collectors violated 31 U.S.C. §3729(a)(1)(c).

146. Defendant HOAS and Debt Collectors are liable in this action for civil penalty of not less than $5,000 and not more than $10,000, plus 3 times the amount of damages which the Plaintiff sustained because of the acts as described herein.

148. Relators seek a recovery on behalf of the United States, for all false insurance claims submitted to the FHA or HUD for each property identified on the HUD REO Property Spreadsheet which said false insurance claims includes the Non-Incurred Collection Charges, Fraudulent Lien Costs, Fraudulent Lien Release Costs, Excessive Super Priority Lien Amounts, and Excessive CC&R Amounts.

149. In each instance when the Insured Lender submitted such false insurance claim for each property identified on the HUD REO Property Spreadsheet, Plaintiff paid out to the Insured Lender insurance proceeds based upon the Insured Lenders' false insurance claims.

150. For each false insurance claim submitted to the FHA or HUD based upon Non-Incurred Collection Charges, Fraudulent Lien Costs, Fraudulent Lien Release Costs, Excessive Super Priority Lien Amounts, and Excessive CC&R Amounts, the Insured Lenders knowingly caused a false claim to be presented to Plaintiff within the meaning of 31 U.S.C. § 3729(a)(l).

Because the Insured Lenders required and retained copies of the Defendant HOAS' CC&RS during the loan underwriting process and because the Insured Lenders are charged with knowledge of the law, the Insured Lenders knew or should have known that provisions of the CC&RS and the Nevada Revised Statutes do not permit the collection by the Defendant HOAS of the Non-Incurred Collection Charges, Fraudulent Lien Costs, Fraudulent Lien Release Costs, Excessive Super Priority Lien Amounts, and Excessive CC&R Amounts.

153. The Insured Lenders therefore knew that the insurance claims were false or fraudulent within the meaning of 31 U.S.C. §3729(b), and caused the submission of the false claims within the meaning of § (a)(l) and the making of a false certification within the meaning of § (a)(2).
