

FirstService Residential has worked in partnership with the Association of Poinciana Villages to enhance the community and living experiences for residents in a responsible manner.

The allegations put forth by this small contingent are absolutely untrue. The most recently completed financial audit, approved by the Board of Directors of the Association of Poinciana Villages, verifies that the Association's finances have been handled with transparency and professionalism. FirstService Residential will fully cooperate with any investigation and is confident these allegations will prove to be without merit.

Our associates are committed to the values of integrity and open communication to serve in the best interests of the residents of Poinciana Villages and all the communities we serve.
